

Montezuma-Cortez Middle School Instrument Rental Contract

The cost to rent a school instrument is \$40.00. This helps defer part of the repair or maintenance costs that will incur to the school instrument under normal use. Damage to school owned instruments due to neglect, abuse or attempted repair will be assessed to the student. Damage beyond normal wear and tear will be determined by the district. Parents will be responsible for the cost of instrument replacement due to loss or theft. **Please return this form to Mr. Campo or Mr. Mohr to receive your school instrument.** The \$40 payment is due ASAP. If necessary, payments may be split into multiple installments. Please contact Mr. Campo at acampo@cortez.k12.co.us if you believe this payment will be a hardship and we will work something out.

Checks should be made payable to Montezuma-Cortez Middle School and payments will be made in the main office.

Instead of the \$40 rental fee, all percussion players will be charged \$10 which will go towards purchasing school mallets, drum heads, harnesses, and other percussion equipment.
